CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

This appendix serves as an explanatory statement, as required pursuant to Rule 13.08 and other relevant provisions of the GEM Listing Rules, to provide you with the requisite information reasonably necessary to enable you to make an informed decision on whether to vote for or against the resolution to approve the grant of the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,000,000,000 Shares. As at the Latest Practicable Date, the Company did not have any outstanding options, warrants and convertible securities to subscribe for the Shares.

Assuming that no further Shares are issued or repurchased during the period from the Latest Practicable Date until the AGM, exercise in full of the Repurchase Mandate, on the basis of 2,000,000,000 Shares in issue as at the Latest Practicable Date, could result in up to a maximum of 200,000,000 Shares being repurchased by the Company.

2. REASONS FOR REPURCHASE

The Directors have no present intention to repurchase any Shares but consider that the Repurchase Mandate will provide the Company with the flexibility to make such repurchase when appropriate and beneficial to the Company. Such repurchases, depending on market conditions and funding arrangements at the time, may lead to enhancement of the net asset value of the Company and/or the earnings per share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole. The number of Shares to be repurchased on any occasion and the price and other terms on which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

3. SOURCE OF FUNDS

The Company is empowered by the Articles to repurchase its Shares. In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles, the Cayman Companies Law, the GEM Listing Rules and/or other applicable laws, rules and regulations, as the case may be.

Any repurchases by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose or, if authorised by the Articles and subject to the Cayman Companies Law and/or other applicable laws, rules and regulations, out of capital. The premium, if any, payable on repurchase must be provided for out of the profits of the Company or out of the Company's share premium account before or at the time the Shares are

APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

repurchased or, if authorised by the Articles and subject to Cayman Companies Law and/or other applicable laws, rules and regulations, out of capital. The Shares so repurchased will be treated as cancelled but the aggregate amount of authorised share capital will not be reduced.

The Company may not repurchase its own shares on the Stock Exchange for a consideration other than cash or settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

4. GEM LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The GEM Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their securities on the Stock Exchange and any other stock exchange on which securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the GEM Listing Rules provide that the shares of such company must be fully paid up and all repurchases of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general mandate or by specific approval of a particular transaction.

5. IMPACT ON WORKING CAPITAL OR GEARING POSITION

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 December 2018) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital or gearing position of the Company which, in the opinion of the Directors, are from time to time appropriate for the Company.

6. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and all applicable laws of the Cayman Islands.

7. DISCLOSURE OF INTERESTS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the GEM Listing Rules) has any present intention, in the event that the Repurchase Mandate is approved by Shareholders, to sell any of their Shares to the Company or its subsidiaries pursuant to the Repurchase Mandate.

No core connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell any of his/her/its Shares to the Company or has undertaken not to sell any of the Shares held by him/her/it to the Company, in the event that the Company is authorized to make repurchases of the Shares.

8. THE TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase may be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, the controlling Shareholders (as defined in the GEM Listing Rules) to the best knowledge of the Directors, namely Mrs. Chong Li Sau Fong, Mr. Chong Siu Pui, Mr. Chong Siu Ning, All Divine Investments Limited and Able Future Investments Limited, together with their parties acting in concert (within the meaning of the Takeovers Code) and their respective associates, were beneficially interested in 1,500,000,000 Shares representing 75.00% of the issued Shares. In the event that the Directors exercise the Repurchase Mandate in full the power of the Company to repurchase Shares, the interest of the controlling Shareholders, together with their parties acting in concert and their respective associates, in the Company would be increased to approximately 83.33% of the issued Shares. Such increase will not give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code.

Assuming that there is no issue of Shares between the Latest Practicable Date and the date of a repurchase and no disposal by any of the controlling Shareholders of their interests in the Shares, an exercise of Repurchase Mandate may result in less than 25% of the Shares being held by the public. In any event, unless otherwise approved by the Stock Exchange, the Directors will refrain from exercising the power conferred by the Repurchase Mandate to an extent as may result in a public shareholding of less than 25%.

APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE
